

# Human Geography

(Spring 2017: GEOG 1400)

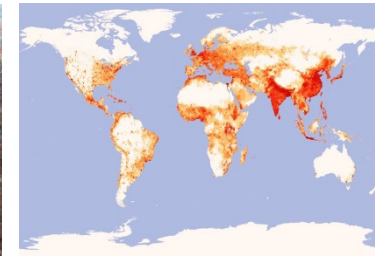

**Where is everyone in the world and what are they up to?**

**How do people, livelihoods, cultures, and environmental problems differ and why?**

**How do people affect the environment and vice versa?**

**What can the earth sustain through 2100 and beyond?**

Tom Cova, Professor, Geography  
M/W 11:50 pm - 1:10 pm, Spring 2017  
Building 73, Room 242
