NUIP 1020-002: Fall 2020
SCIENTIFIC FOUNDATIONS IN NUTRITION AND HEALTH

INSTRUCTOR INFORMATION

Sydney Abbott
sydney.abbott@utah.edu
Department of Nutrition and Integrative Physiology
(https://health.utah.edu/nutrition-integrative-physiology/)
Office Location: HPER West Room 108-F (I am currently working remotely)
Office Hours: Tuesdays 1:00pm-2:00pm via Zoom

CLASS TIME & CREDIT HOURS

Class Time: Asynchronous Online Course
Credit Hours: 3.0

COURSE DESCRIPTION

Role of carbohydrates, protein, lipids, water, vitamins and minerals in human nutrition. Relationship of nutrition to maintenance of health and prevention of disease. Role of nutrition in weight control, sports nutrition, eating disorders, pregnancy/lactation, and chronic disease are discussed. Students participate in laboratory applications for lipid profiles and blood pressure assessment.
STUDENT LEARNING OUTCOMES

By the end of this course, you will be able to:

1. Understand the scientific method and hypothesis testing. Learn about experimental models used in nutrition research; discern the reliability of nutrition information based on scientific evidence.
2. Integrate the scientific knowledge of nutrition, genetics, chemistry, metabolism, exercise and lifestyle to evaluate and manage diets that support life-long health.
3. Describe how the human body digests food, metabolizes and utilizes the nutrients and Calories in health or disease; and identify risks factors for developing chronic disease including the interpretation of biochemical, clinical and anthropometrical laboratory measures.
4. Evaluate food package label information - analytically and critically determine the contribution of nutrients in packaged foods to the foundation of a healthy diet.
5. Utilize basic nutritional scientific terminology; describe the essential nutrients and their role in normal metabolism; and identify good dietary sources of nutrients.

PREREQUISITES

None.

REQUIRED MATERIAL

This is bundled with other web-based material we use in class. This is an electronic book—there is not a paper copy available for this course.

WELCOME TO INCLUSIVE ACCESS! NUIP 1020 You have enrolled in a course that utilizes an Inclusive Access title. What does this mean? All your required course materials will be available the first day of class through Canvas in the form of digital access. It’s that easy—you don’t have to do anything else but go to class. You were charged for the course materials along with your tuition at a substantial savings. For this course, the regular price of the textbook is $140.00, but you were only charged $82.35.

If you chose to Opt-Out and obtain your own course materials you can do so anytime up through the first two weeks of class. See instructions on Canvas Announcement for accessing McGraw-Hill Connect and the ebook!
LEARNING ASSESSMENTS

1. **Nutrition Article Review:** You will select a nutrition related article, and critically evaluate its content and message. Download the assignment instructions from Canvas to get the questions that will guide you through the evaluation of the article you select.

2. **Diet Analysis Assignment:** For this assignment you will record your food and drink intake for 3 days, then analyze it using the diet analysis software found on Connect. The analysis will give you information on your kilocalorie, micro- and macronutrient intake as compared to the RDA for your age, sex, and activity level. Download the assignment instructions found on Canvas to get a copy of the questions that you must complete after analyzing your diet.

3. **Clinical Health Evaluation:** Using clinical evaluation tools of blood lipid levels, blood pressure and body composition, you will assess an individual's health. Based on your assessment, you will make appropriate nutrition recommendations for managing chronic disease risk.

4. **SmartBook 2.0 Assignments:** On our class Connect page, there are “SmartBook 2.0” assignments for each assigned chapter of reading. These assignments will help you prepare for class and exams. You will have unlimited attempts to answer a question on each concept correctly. After you complete the SmartBook 2.0 assignment on Connect, you will be given full credit for the assignment. There are SmartBook 2.0 assignments due for each of the three sections of course materials throughout the semester.

5. **Weekly Module Worksheets:** Every week there will be small activities included in the module to assess current learning, expand on a certain topic, and provide you with the opportunity to apply your knowledge.

6. **Exams & Exam Policy:**
   - There will be 3 exams during the semester. Each exam will cover the material from the previous section. The exams are not comprehensive.
   - Format is multiple choice and true/false questions. Exams 1-3 will consist of 50 questions worth 2 points each
   - Exams will open at 6:00am and close at 10:00pm the next day. All exams must be completed within 120 minutes of starting the exam.
   - Exams will be proctored online using the ProctorU Canvas plug-in.
   - No additional notes, books, electronic devices, etc will be allowed in your desk area during the exam.
   - Anyone caught cheating on an exam will, at minimum, receive a zero on that exam.

**FREQUENTLY ASKED QUESTIONS**

What's the best way to go about managing my time for this class?

Successful students (those that get A's and B's) use their time wisely. The standard formula for college coursework is that for every 1 hour of credit a student will spend 3 to 6 hours (and sometimes more) of studying and completing homework. Thus, a 3 credit course will require an average of 9 to 18 hours of homework (reading, research, studying) per week.

As a result, successful students plan their time so that they keep up with assignments by maintaining a pace that fits the course schedule. They also communicate with the instructor often so that they can receive feedback on their work.
Please note the class is cumulative in nature. A good understanding of the material in the first part of the semester is necessary in order to proceed successfully throughout the remainder of the semester. Because this is an accelerated course that will be completed in just over 5 weeks, you should expect to spend double to triple the amount of time outlined above on a weekly basis.

I missed an assignment due date, now what?

Late assignments will be deducted 10 points per day. If you experience technical difficulties with submitting assignments, contact U-online for technical assistance immediately at 801-585-5959 or if you experience technical difficulties with submitting assignments, contact UOnline for technical assistance immediately at 801-585-5959 or email me at sydney.abbott@utah.edu.

What if I miss an exam?

There will be no make-up exams without prearranged written permission from the instructor. If the incident resulting in a missed exam occurs on the due date - you will have 24 hours to contact me to make the necessary arrangements. Physician's verification is required for illnesses or other documentation (e.g., doctor’s note, accident report, death certificate) for medical or emergency circumstances beyond your control.

Late exams must be completed within one week of the first date the exam is offered. Contact your instructor via e-mail prior to the scheduled exam time or within 24 hours after the incident. Missed exams without permission or acceptable medical or emergency excuse will be assigned a grade of zero, per University policy.

If you know in advance that you need to take the exam at a different time than scheduled, your instructor will work with you to make arrangements. These arrangements must be scheduled at least 1 week before the exam for a time before the originally planned test date (i.e., if you have a university athletic event or debate meet).

GRADING SCHEME

The following grading standards will be used in this class:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>100 % to 92.5%</td>
</tr>
<tr>
<td>A-</td>
<td>&lt; 92.5 % to 89.5%</td>
</tr>
<tr>
<td>B+</td>
<td>&lt; 89.5 % to 87.5%</td>
</tr>
<tr>

**UNIVERSITY POLICIES**

**COVID-19 CAMPUS GUIDELINES**

Students are required to self-report if they test positive for COVID-19. To report, please contact:

COVID-19 Central @ The U

📞 801-213-2874

🌐 [coronavirus.utah.edu](https://coronavirus.utah.edu/)

To reduce the spread of COVID-19 on campus, **face coverings are required in all in-person classes for both students and faculty.** Face coverings are required to cover both your mouth and your nose. Please note that face shields alone are not an acceptable form of face covering unless also worn with a covering or mask for the nose and mouth.

Based on CDC guidelines, the University requires everyone to wear face coverings in shared public spaces on campus, including our classroom. As a reminder, when I wear a face covering, I am protecting you. When you wear a face covering, you are protecting me and all of your classmates. If you forget your face covering, I will ask you to leave class to retrieve it. **If you repeatedly fail to wear a face covering in class, I will refer you to the Dean of Students for a possible violation of the Student Code.**

https://utah.instructure.com/courses/629635/assignments/syllabus
Note that some students may qualify for accommodations through the Americans with Disabilities Act (ADA). If you think you meet these criteria and desire an exception to the face covering policy, contact the Center for Disability and Access (https://t.e2ma.net/click/vlufyz/js70keu/biauqt) (CDA). Accommodations should be obtained prior to the first day of class so that I am notified by CDA of any students who are not required to wear a face covering.

If you believe you meet these criteria, contact:

Center for Disability & Access

📞 801-581-5020

📧 disability.utah.edu (https://disability.utah.edu/)

📍 162 Union Building
   200 S. Central Campus Dr.
   Salt Lake City, UT 84112

Everyone is encouraged to wash their hands, use hand sanitizer, and clean their desks with wipes, which will be available at classroom entrances and at “sanitizing stations” in multi-use buildings, including Marriott Library. Read more information about the building cleaning schedule on coronavirus.utah.edu (https://coronavirus.utah.edu/).

DROP/WITHDRAWAL POLICIES

Students may drop a course within the first two weeks of a given semester without any penalties.

Students may officially withdraw (W) from a class or all classes after the drop deadline through the midpoint of a course. A “W” grade is recorded on the transcript and appropriate tuition/fees are assessed. The grade “W” is not used in calculating the student's GPA.

For deadlines to withdraw from full-term, first, and second session classes, see the U's Academic Calendar (https://registrar.utah.edu/academic-calendars/index.php).

PLAGIARISM & CHEATING

It is assumed that all work submitted to your instructor is your own work. When you have used ideas of others, you must properly indicate that you have done so.

Plagiarism and cheating are serious offenses and may be punished by failure on an individual assignment, and/or failure in the course. Academic misconduct, according to the University of Utah Student Code,

“...includes, but is not limited to, cheating, misrepresenting one’s work, inappropriately collaborating, plagiarism, and fabrication or falsification of information…It also includes facilitating
academic misconduct by intentionally helping or attempting to help another to commit an act of academic misconduct.”

For details on plagiarism and other important course conduct issues, see the U's Code of Student Rights and Responsibilities (http://regulations.utah.edu/academics/6-400.php).

### COURSE MATERIALS COPYRIGHT

The Content is made available only for your personal, noncommercial educational and scholarly use. You may not use the Content for any other purpose, or distribute, post or make the Content available to others, unless you obtain any required permission from the copyright holder. Some Content may be provided via streaming or other means that restrict copying; you may not circumvent those restrictions. You may not alter or remove any copyright or other proprietary notices included in the Content.

Please see the Code of Student Rights and Responsibilities (https://regulations.utah.edu/academics/6-400.php). Section III.A.5 regarding use and distribution of class Content and materials.  
https://regulations.utah.edu/academics/6-400.php. Section III.A.5. prohibits the following:
Sale or distribution of information representing the work product of a faculty member to a commercial entity for financial gain without the express written permission of the faculty member responsible for the course. (“Work product” means original works of authorship that have been fixed in a tangible medium and any works based upon and derived from the original work of authorship.)

### SAFETY AT THE U

The University of Utah values the safety of all campus community members. You will receive important emergency alerts and safety messages regarding campus safety via text message.

For more information regarding safety and to view available training resources, including helpful videos, visit safeu.utah.edu.

To report suspicious activity or to request a courtesy escort, contact:

**Campus Police & Department of Public Safety**

- 📍 1735 E. S. Campus Dr.
  Salt Lake City, UT 84112
WELLNESS AT THE U

Your personal health and wellness are essential to your success as a student. Personal concerns like stress, anxiety, relationship difficulties, depression, or cross-cultural differences can interfere with a student’s ability to succeed and thrive in this course and at the University of Utah.

Please feel welcome to reach out to your instructor or TA's to handle issues regarding your coursework.

For helpful resources to manage your personal wellness and counseling options, contact:

**Center for Student Wellness**
- ☏ 801-581-7776
- ✉ [wellness.utah.edu](http://wellness.utah.edu)
- 📍 2100 Eccles Student Life Center
  1836 Student Life Way

ADDRESSING SEXUAL MISCONDUCT

Title IX makes it clear that violence and harassment based on sex and gender (which includes sexual orientation and gender identity/expression) is a civil rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, color, religion, age, status as a person with a disability, veteran’s status, or genetic information.

If you or someone you know has been harassed or assaulted, you are encouraged to report it to university officials:

**Title IX Coordinator & Office of Equal Opportunity and Affirmative Action**
- ☏ 801-581-8365
- ✉ [oeo.utah.edu](https://oeo.utah.edu)
- 📍 135 Park Building
To file a police report, contact:

AMERICANS WITH DISABILITIES ACT (ADA)

The University of Utah seeks to provide equal access to its programs, services, and activities for people with disabilities.

All written information in this course can be made available in an alternative format with prior notification to the Center for Disability & Access (CDA). CDA will work with you and the instructor to make arrangements for accommodations. Prior notice is appreciated. To read the full accommodations policy for the University of Utah, please see Section Q of the Instruction & Evaluation regulations (http://regulations.utah.edu/academics/6-100.php).

If you will need accommodations in this class, or for more information about what support they provide, contact:
DIVERSE STUDENT SUPPORT

Your success at the University of Utah is important to all of us here! If you feel like you need extra support in academics, overcoming personal difficulties, or finding community, the U is here for you.

Student Support Services (TRIO)

TRIO federal programs are targeted to serve and assist low-income individuals, first-generation college students, and individuals with disabilities.

Student Support Services (SSS) is a TRIO program for current or incoming undergraduate university students who are seeking their first bachelor’s degree and need academic assistance and other services to be successful at the University of Utah.

For more information about what support they provide, a list of ongoing events, and links to other resources, view their website or contact:

   Salt Lake City, UT 84112
Undocumented Students

Immigration is a complex phenomenon with broad impact—those who are directly affected by it, as well as those who are indirectly affected by their relationships with family members, friends, and loved ones. If your immigration status presents obstacles that prevent you from engaging in specific activities or fulfilling specific course criteria, confidential arrangements may be requested from the Dream Center.

**Arrangements with the Dream Center will not jeopardize your student status, your financial aid, or any other part of your residence.** The Dream Center offers a wide range of resources to support undocumented students (with and without DACA) as well as students from mixed-status families.

For more information about what support they provide and links to other resources, view their website or contact:

**Dream Center**

📞 801-213-3697

**Inclusivity at the U**

The Office for Inclusive Excellence is here to engage, support, and advance an environment fostering the values of respect, diversity, equity, inclusivity, and academic excellence for students in our increasingly global campus community. They also handle reports of bias in the classroom as outlined below:

*Bias or hate incidents consist of speech, conduct, or some other form of expression or action that is motivated wholly or in part by prejudice or bias whose impact discriminates, demeans, embarrasses, assigns stereotypes, harasses, or excludes individuals because of their race, color, ethnicity, national origin, language, sex, size, gender identity or expression, sexual orientation, disability, age, or religion.*
For more information about what support they provide and links to other resources, or to report a bias incident, view their website or contact:
