Instructor: Petar Bakic
Email: bakic@math.utah.edu (please use this address rather than the Canvas messaging system)
Office: LCB 207
Office Hours:
   – Tue 4–5pm, LCB 207
   – Thu 3–4pm, on Zoom (link will be posted on Canvas)

Technical Details
Credit: MATH 1220 Calculus II is a 4-credit course.
Prerequisites: C or better in (MATH 1210 OR MATH 1250 OR MATH 1270 OR MATH 1311 OR MATH 1310) OR AP Calculus AB score of at least 4 OR AP Calculus BC score of at least 3.
Course Type: In person
Class Meetings: MTWF 09:40–10:30, JTB 130
Textbook: Calculus with Differential Equations, by Varberg, Purcell, and Rigdon (9th edition)
For information on purchasing the textbook, go to http://www.math.utah.edu/schedule/bookInfo/
Canvas: Canvas will be used for posting announcements, homework assignments, grades. Please check the Canvas page regularly!

About the Course
Topics: Geometric applications of the integral, logarithmic and exponential functions, techniques of integration, improper integrals, numerical approximation techniques, infinite series and power series expansions, differential equations (continued).
Expected Outcomes: By the end of the course, students will be expected to:

1. Compute derivatives and integrals for exponential, logarithmic, hyperbolic functions, and inverse trigonometric functions.
2. Integrate integrable functions using integration by parts, u-substitution, trigonometric substitutions, rationalizing substitutions, partial fraction decomposition, and trigonometric identities. This includes knowing which techniques to apply to a given integral.
3. Use L’Hopital’s Rule to calculate indeterminate-type limits and also know what limits are the non-indeterminate forms and how to compute those limits.
4. Compute improper integrals.
5. Understand the difference between an infinite sequence and infinite series and determine if a sequence converges or diverges.
6. Determine whether or not an infinite series of numbers converges or diverges using a variety of tests.
7. Understand what it means for a Power Series to converge or diverge and be able to find the Taylor Series for a given function. Determine how closely a Taylor polynomial approximates a function using Taylor's Remainder Theorem.

8. Differentiate and integrate functions in polar coordinates.

Assessment and Grading:

- **Homework Assignments (20%)** A new problem set will be posted on Canvas every week. Most often, there will be several problems to choose from, and you will not be required to solve all of them. Homework is due at the beginning of class every Friday. Two lowest homework scores will be dropped. Homework must be turned in personally (no electronic copies!); no late homework will be accepted.

- **Midterm Exams (60%, 20% each)** Three 50-minute midterm exams will be given on select Fridays. You will have the whole class period to complete the exam. Dates of the midterm exams: Friday Sep 17, Friday Oct 22, and Friday Nov 19.

- **Final Exam (20%)** A two-hour cumulative final exam will be given. Our final exam is scheduled for Monday, Dec 13, 8:00–10:00am.

**Important:** Please contact me as soon as possible if you are unable to take any of the exams at the scheduled time because of a university excused absence (e.g. band, debate, student government, intercollegiate athletics, etc).

**Final grades** are determined based on your total course percentage using the following scheme:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Lower Limit</th>
<th>Upper Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>B+</td>
<td>[82, 85)</td>
<td>B</td>
</tr>
<tr>
<td>B</td>
<td>[67, 70)</td>
<td>B−</td>
</tr>
<tr>
<td>C+</td>
<td>[67, 70)</td>
<td>C</td>
</tr>
<tr>
<td>C</td>
<td>[58, 67)</td>
<td>C−</td>
</tr>
<tr>
<td>D+</td>
<td>[52, 55)</td>
<td>D</td>
</tr>
<tr>
<td>D</td>
<td>[43, 52)</td>
<td>D−</td>
</tr>
<tr>
<td>E</td>
<td>(0, 40)</td>
<td></td>
</tr>
</tbody>
</table>

The instructor retains the right to modify this grading scheme during the course of the semester; students will be notified of any adjustments.

**Calculators:** Calculators will not be allowed on exams. They may be used on homework, but you should still write out the details of your computation. It is in your best interest not to become too dependent on your calculator since they will not be allowed on exams.

Course Roadmap and Important Dates:

**Week 1** Introduction, Chapters 6.1, 6.2

**Week 2** Chapters 6.3, 6.4, 6.5

**Week 3** Chapters 6.6, 6.7, 6.8

**Week 4** Chapter 6.9, review, Exam 1 (Sep 17)

**Week 5** Chapters 7.1, 7.2, 7.3

**Week 6** Chapter 7.4, 7.5, 7.6

**Week 7** Chapters 8.1, 8.2, 8.3

**Week 8** Chapter 8.4, review, Exam 2 (Oct 22; note that this is also the last day to drop or elect CR/NC)

**Week 9** Chapters 9.1, 9.2, 9.3

**Week 10** Chapters 9.4, 9.5
Week 11  Chapters 9.5, 9.6 (Friday, Nov 12 is the last day to withdraw)

Week 12  Chapter 9.7, review, Exam 3 (Nov 19)

Week 13  Chapters 9.8, 9.9

Week 14  Chapters 10.5, 10.6

Week 15  Chapter 10.7, review

Week 16  Final Exam: Monday Dec 13, 8–10am.

COVID-19

**Vaccination:** Get a COVID-19 vaccine if you have not already done so. Vaccination is proving highly effective in preventing severe COVID-19 symptoms, hospitalization and death from coronavirus. Vaccination is the single best way to stop this COVID resurgence in its tracks. Visit http://mychart.med.utah.edu/, http://alert.utah.edu/covid/vaccine, or http://vaccines.gov/ to schedule your vaccination.

**Masking:** While masks are no longer required outside of Health Sciences facilities, UTA buses and campus shuttles, CDC guidelines now call for everyone to wear face masks indoors.

**Testing:** If you are not yet vaccinated, get weekly asymptomatic coronavirus tests. This is a helpful way to protect yourself and those around you because asymptomatic individuals can unknowingly spread the coronavirus to others. Saliva based testing is available at alert.utah.edu/covid/testing

**Self-Reporting:** All of us, including faculty, students, and staff, must self-report if we test positive for COVID-19 via this website: https://coronavirus.utah.edu/

**Policies and Resources**

**Additional Learning Resources**

- **Tutoring Center & Computer Lab** There is free tutoring in the T. Benny Rushing Mathematics Student Center (room 155, the lower level between JWB and LCB), as well as a computer lab. For more information see http://www.math.utah.edu/undergrad/mathcenter.php

- **Private Tutoring** ASUU Tutoring Center, 330 SSB. There is also a list of tutors at the math department office JWB 233.

- **Departmental Videos** The math department has a full set of lecture videos which you are welcome to use to supplement our course material. These can be found at http://www.math.utah.edu/lectures/

**Academic Code of Conduct:** Students are encouraged to review the Student Code for the University of Utah: [link]. In order to ensure that the highest standards of academic conduct are promoted and supported at the University, students must adhere to generally accepted standards of academic honesty, including but not limited to refraining from cheating, plagiarizing, research misconduct, misrepresenting one’s work, and/or inappropriately collaborating. A student who engages in academic misconduct as defined in Part I.B. may be subject to academic sanctions including but not limited to a grade reduction, failing grade, probation, suspension or dismissal from the program or the University, or revocation of the student’s degree or certificate. Sanctions may also include community service, a written reprimand, and/or a written statement of misconduct that can be put into an appropriate record maintained for purposes of the profession or discipline for which the student is preparing.

**Inclusivity Statement:** It is my intent that students from all diverse backgrounds and perspectives be well served by this course, that students’ learning needs be addressed both in and out of class, and that the diversity that students bring to this class be viewed as a resource, strength and benefit. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally or for other students or student groups.
Discrimination and Harassment: If you or someone you know has been harassed or assaulted, you are encouraged to report it to the Title IX Coordinator in the Office of Equal Opportunity and Affirmative Action, 135 Park Building, 801-581-8365, or Office of the Dean of Students, 270 Union Building, 801-581-7066. To report to the police, contact the Department of Public Safety, 801-585-2677 (COPS). Please see Student Bill of Rights, section E [http://regulations.utah.edu/academics/6-400.php](http://regulations.utah.edu/academics/6-400.php). You are always welcome to talk to me if someone is threatening or harassing you.

Student Names and Personal Pronouns: Canvas allows students to change the name that is displayed AND allows them to add their pronouns to their Canvas name. Class rosters are provided to the instructor with the student’s legal name as well as “Preferred first name” (if previously entered by you in the Student Profile section of your CIS account, which managed can be managed at any time). While CIS refers to this as merely a preference, I will honor you by referring to you with the name and pronoun that feels best for you in class or on assignments. Please advise me of any name or pronoun changes so I can help create a learning environment in which you, your name, and your pronoun are respected. If you need any assistance or support, please reach out to the LGBT Resource Center: [link](#).

English Language Learners: If you are an English language learner, please be aware of several resources on campus that will support you with your language and writing development. These resources include: the Writing Center [http://writingcenter.utah.edu/](http://writingcenter.utah.edu/); the Writing Program [http://writing-program.utah.edu/](http://writing-program.utah.edu/); the English Language Institute [http://continue.utah.edu/eli/](http://continue.utah.edu/eli/). Please let me know if there is any additional support you would like to discuss for this class.

Undocumented Student Support: Immigration is a complex phenomenon with broad impact—those who are directly affected by it, as well as those who are indirectly affected by their relationships with family members, friends, and loved ones. If your immigration status presents obstacles to engaging in specific activities or fulfilling specific course criteria, confidential arrangements may be requested from the Dream Center. Arrangements with the Dream Center will not jeopardize your student status, your financial aid, or any other part of your residence. The Dream Center offers a wide range of resources to support undocumented students (with and without DACA) as well as students from mixed-status families. To learn more, please contact the Dream Center at 801.213.3697 or visit [dream.utah.edu](http://dream.utah.edu).

Veterans Center: If you are a student veteran, the U of Utah has a Veterans Support Center located in Room 161 in the Olpin Union Building. Hours: M-F 8-5pm. Please visit their website for more information about what support they offer, a list of ongoing events and links to outside resources: [http://veteranscenter.utah.edu/](http://veteranscenter.utah.edu/) Please also let me know if you need any additional support in this class for any reason.

Wellness Statement: Personal concerns such as stress, anxiety, relationship difficulties, depression, cross-cultural differences, etc., can interfere with a student’s ability to succeed and thrive at the University of Utah. Taking care of yourself is more important than academic success at all times. For helpful resources contact the Center for Student Wellness at [www.wellness.utah.edu](http://www.wellness.utah.edu) or 801-581-7776.

Student Success Advocates: The mission of Student Success Advocates is to support students in making the most of their University of Utah experience (ssa.utah.edu). They can assist with mentoring, resources, etc. Any student who faces challenges securing their food or housing and believes this may affect their performance in the course is urged to contact a Student Success Advocate for support ([https://asuu.utah.edu/displaced-students](https://asuu.utah.edu/displaced-students)).

The Financial Wellness Center provides competent and confidential financial counseling services for students. Some of the topics they cover include: scholarships, budgeting, paying for school, credit, taxes, student loans, and more! ([https://financialwellness.utah.edu](https://financialwellness.utah.edu)).

The Americans with Disabilities Act: The University of Utah seeks to provide equal access to its programs, services and activities for people with disabilities. If you will need accommodations in the class,
reasonable prior notice needs to be given to the Center for Disability & Access, 162 Olpin Union Building, 801-581-5020. CDA will work with you and the instructor to make arrangements for accommodations. All written information in this course can be made available in alternative format with prior notification to the Center for Disability & Access.

**Addressing Sexual Misconduct:** Title IX makes it clear that violence and harassment based on sex and gender (which includes sexual orientation and gender identity/expression) is a Civil Rights offense subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories such as race, national origin, color, religion, age, status as a person with a disability, veteran’s status or genetic information. If you or someone you know has been harassed or assaulted on the basis of your sex, including sexual orientation or gender identity/expression, you are encouraged to report it to the University’s Title IX Coordinator; Director, Office of Equal Opportunity and Affirmative Action, 135 Park Building, 801-581-8365, or to the Office of the Dean of Students, 270 Union Building, 801-581-7066. For support and confidential consultation, contact the Center for Student Wellness, 426 SSB, 801-581-7776. To report to police, contact the Department of Public Safety, 801-585-2677 (COPS).

**Campus Safety:** The University of Utah values the safety of all campus community members. To report suspicious activity or to request a courtesy escort, call campus police at 801-585-COPS (801-585-2677). You will receive important emergency alerts and safety messages regarding campus safety via text message. For more information regarding safety and to view available training resources, including helpful videos, visit [safeu.utah.edu](http://safeu.utah.edu).

**University Counseling Center:** The University Counseling Center (UCC) provides developmental, preventive, and therapeutic services and programs that promote the intellectual, emotional, cultural, and social development of University of Utah students. They advocate a philosophy of acceptance, compassion, and support for those they serve, as well as for each other. They aspire to respect cultural, individual and role differences as they continually work toward creating a safe and affirming climate for individuals of all ages, cultures, ethnicities, genders, gender identities, languages, mental and physical abilities, national origins, races, religions, sexual orientations, sizes and socioeconomic statuses.

**Office of the Dean of Students:** The Office of the Dean of Students is dedicated to being a resource to students through support, advocacy, involvement, and accountability. It serves as a support for students facing challenges to their success as students, and assists with the interpretation of University policy and regulations. Please consider reaching out to the Office of Dean of Students for any questions, issues and concerns. 200 South Central Campus Dr., Suite 270. Monday–Friday 8am–5pm.
