The Chicana/o/x Experience

In this class we will explore the Chicana/o/x and Latina/o/x experience in the U.S. from a socio-historical perspective. The intersections of class, race/ethnicity, gender and colorism will be surveyed, situating the diverse and complex, multigenerational subjectivities that exist within these ethno-racial identities.

ETHNC 2560-090

Online Summer Course 2017, 1st half (May 15, 2017-June 21, 2017)

This class meets the Diversity (DV) Requirement
