Course Requirements:

- A) Students are expected to finish each assigned reading before the class meeting on that assignment. Students are also expected to bring the assigned reading to class with them.
- B) Participation: students are expected to participate in discussion in class. For in-class discussion, raising thoughtful questions, responding insightfully to remarks by other students, answering questions from the instructor, and reading aloud (when asked by the instructor) will all count towards fulfilling this requirement. Students who are absent from class are still responsible for knowing what was said both during lecture *and* discussion, so if you miss class, be sure to get notes from a classmate.
- C) Short papers: Three papers of 700–1000 words (roughly 2–3 pages) will be due on 9/10, 9/26, and 11/14. Students will be required to submit the papers to Turnitin.com and to submit a hardcopy.
- D) Midterm paper, due 10/26: For undergraduates, a paper of 1400–2000 words (roughly 4–6 pages) will be due on the day indicated. Students will be required to submit the paper to Turnitin.com and to submit a hardcopy. For graduate students, the paper must be in the range of 3000–3500 words (roughly 10–12 pages).
- E) Final Paper, due 12/12: For undergraduates, a paper of 1400–2000 words (roughly 4–6 pages) will be due on the day indicated. Students will be required to submit the paper to Turnitin.com and to submit a hardcopy. For graduate students, the paper must be in the range of 3000–3500 words (roughly 10–12 pages).
